**MISSION STATEMENT
ASSOCIATION FOR THE ADVANCEMENT OF
EDUCATIONAL RESEARCH**

AAER demonstrates the importance of research and encourages the integration of inquiry processes and findings across those disciplines and fields.

The Association encourages the growth of educational research and seeks to improve the quality. The Association works actively to generate interest in educational research, support sponsorship and funding of educational research, provide education and training in research methods and disseminate significant findings from educational research. The Association consists of seven divisions and promotes excellence in educational research through scholarly presentation and exchange at its annual conference.
